

ACEN Outcome Disclosure Information for the Practical Nurse Program

Program Completion Rate: The program completion rate is calculated based upon the on-time program completion rate for each program option from the first nursing course through completion of the courses required for conferral of a certificate, diploma, or degree.

Program Completion			
Cohort	Total number of students starting in the first nursing course	Total number of on-time graduates	On-time Program Completion Rate
April 2024-March 2025	N = 15	N =12	80%
July 2024 – June 2025	N = 21	N = 15	71%

Licensure Exam Pass Rate: Licensure Exam rates are based on first time candidates who took the National Council Licensure Examination (NCLEX-PN) from April 1, 2025, through July 31, 2025. These rates are based on results as reported by the Delaware Board of Nursing. The pass rates are reported for first-time test takers in 2025.

NCLEX Pass Rates for Practical Nursing Program		
Cohort	March 2025 Graduates	June 2025 Graduates
First-time Pass Rate	8/8 100%	3/3 100%

Job Placement Rates: Job placement rate data is collected within one (1) year of graduation to determine who is employed in a position for which the nursing program prepared them. This data is collected by the academic year (July 1 - June 30). The graduate response rate is calculated by the number of graduates successfully contacted divided by the number reporting having secured employment in the LPN role.
